### Drop Off Information (Board and Train Clients Only)

When bringing your dog for a Board and Train, all we need is the Dog's Food (always bring extra in case your dog needs to increase their food intake during training), and any Medication including flea/tick and/or heart worm (only if they need to be given to your Dog while your Dog is with us.) Do NOT bring any bedding, toys or water/food bowls, treats or bones! Drop Off Agreement: When dropping off your dog at our board and train facility, you will need to stick to the exact time that we agreed upon. RDT is a working kennel so I'll be working dogs and not waiting for someone to arrive, therefore I come off of training to meet and greet you to make sure your dog gets onto the property, safe and secure. Make sure your dog is on a leash/collar that they cannot slip out of when going from your car to our property and then during the hand off to me. Your dog may be nervous, scared or excited and any of those things can lead to your dog escaping the collar and running off or around the property, which is a safety issue for the dog, me, and other dogs on the property. When you arrive you will hand off the dog to me, you are NOT to hug, kiss, bend down, or use a high pitch voice at all, just hand off the leash to me and that is it. I know this may be difficult, but it's part of the rehabilitation process. Not following these instructions can jeopardize my safety as well as hinder the process. I will bring the dog back to the kennel and put him/her in the kennel, and within an hour of this I will take your dog on the first structured walk. You can leave food and medication and any further instructions with me, and I will take all of that back into the kennel area. I do not allow non-employees into the actual kennel as we have numerous dogs with serious issues, and it can create an unsafe energy for all of the dogs as well as staff and yourself.

Please select Yes if you have read these terms and Agree to this Drop Off Agreement.

### **I do hereby agree to the following Terms and Conditions of this Ranger Dog Training Contract:**

I understand that the attendance of all Dog Training Classes is not without risk to myself and or members of my family or guests that may attend a Dog Training Class. This is due to the fact that the dogs in the Dog Training Class may be difficult to control and may be the cause of injury even if they are handled with a great deal of care.

I hereby certify that my dog is physically fit and has no medical conditions, which may prevent full participation in any of the Dog Training Class. I agree to bring my dog in a clean manner and free from any fleas and parasites before the first day of class. I will also provide the trainer with proof that my dog has received all required vaccinations and these vaccinations will remain current throughout the duration of all classes.
